

Still [Lyrics]

[Lyrics] by Luke Thomas, Sarah Bultmann

VERSE 1:

All knowing God You see my heart

When I rise and when I fall

You are there You see it all

VERSE 2:

Creator of all things yet my Father and my friend

You gave it all to make me Yours

Jesus Your mercy has no end

CHORUS:

Still You love me still You carry me

Your arms will never let me go

Still You want me still You are after me

When I've lost my way You call me home

Still You call me home

VERSE 3:

I cannot escape Your love there's nowhere that I could run

Lord You are showing me the truth

That all I really need is You

BRIDGE:

You are faithful never-ending love is for me

Your love is for me
