

# Only You Satisfy [Lyrics]

[Lyrics] by Luke Thomas, Sarah Bultmann

## VERSE 1:

Only you know my heart  
Father You call me closer  
To know You more than before  
Lord that is my desire

## CHORUS:

Only you can satisfy me  
Only you can satisfy me

## VERSE 2:

Perfect love, never-ending peace  
There's safety within Your cover  
In You have found my home  
I've searched and there is no other

## BRIDGE:

Jesus you are all that I need  
My life is complete in you my King  
I'm dead to my sin and bound by this truth  
that freedom is only found in You
